Study & Action Group

"Precisely how we have recovered"

We recover in AA by taking the Twelve Steps, and if we don't take the action *as described in our Big Book*, we may not recover. These groups will give the participants the tools to do the Twelve Steps precisely as the first one hundred men and women who recovered from alcoholism. This is a back to the basics kind of group, accepting the "simple kit of spiritual tools" that has been laid at our feet. Participants are asked to commit to the entire process
