During these challenging times, we want you to know that Alcoholics Anonymous is in our community and available. AA's 12th Step is to carry the message to the still suffering alcoholic, and one of the ways we do this is through our service committee "Cooperation with the Professional Community."

If you are a professional in one of the targeted areas identified above, please join us to learn about AA - what we are, where we are, and what we can do. We will also share how AA has helped us stay sober.

Brought to you by the CPC Committee of AA District 13.
