

District 18 Workshop Safety in AA

Building an inclusive space for ALL
members of Alcoholics Anonymous

Every Alcoholic deserves the opportunity to receive the gifts of our program. Unfortunately, all too often, AA members are targeted, ostracized, or pressured to meet cultural or spiritual norms.

Hear stories where our fellowship made it hard for a person to participate and learn what you can do to make your group a place for all Alcoholics who want our help.

Saturday, March 12th
